SHELTON STATE FALL SCHEDULE 1995

EMERGENCY MEDICAL TECHNICIAN PROGRAM

*Interested in an
exciting career
as a paramedic?*

Through the EMT training you can become confident that if a medical emergency threatens, you can provide important emergency care in the critical early minutes of an emergency. EMT training is helpful to anyone regardless of occupation and especially to those who deal with people, such as teachers, physical therapists, sports medicine personnel, social workers, and parents. The Program in Emergency Medicine, in addition to the EMT Basic, offers the Intermediate and Paramedic levels of training, which teach advanced medical procedures.

The EMT course includes:

- Cardiopulmonary resuscitation (CPR)
- Bandaging, splinting
- How to revive a choking victim
- Assessing and treating emergency conditions

Registration is August 15-22, 1995

8:00 a.m. – 5:00 p.m.

Registration MUST be made at the Alabama Fire College 2015 McFarland Boulevard.

However, if you are on a grant or receiving financial aid you must register at Shelton State Community College on the Skyland campus.

**To enroll in the
EMT Basic course
a student must:**

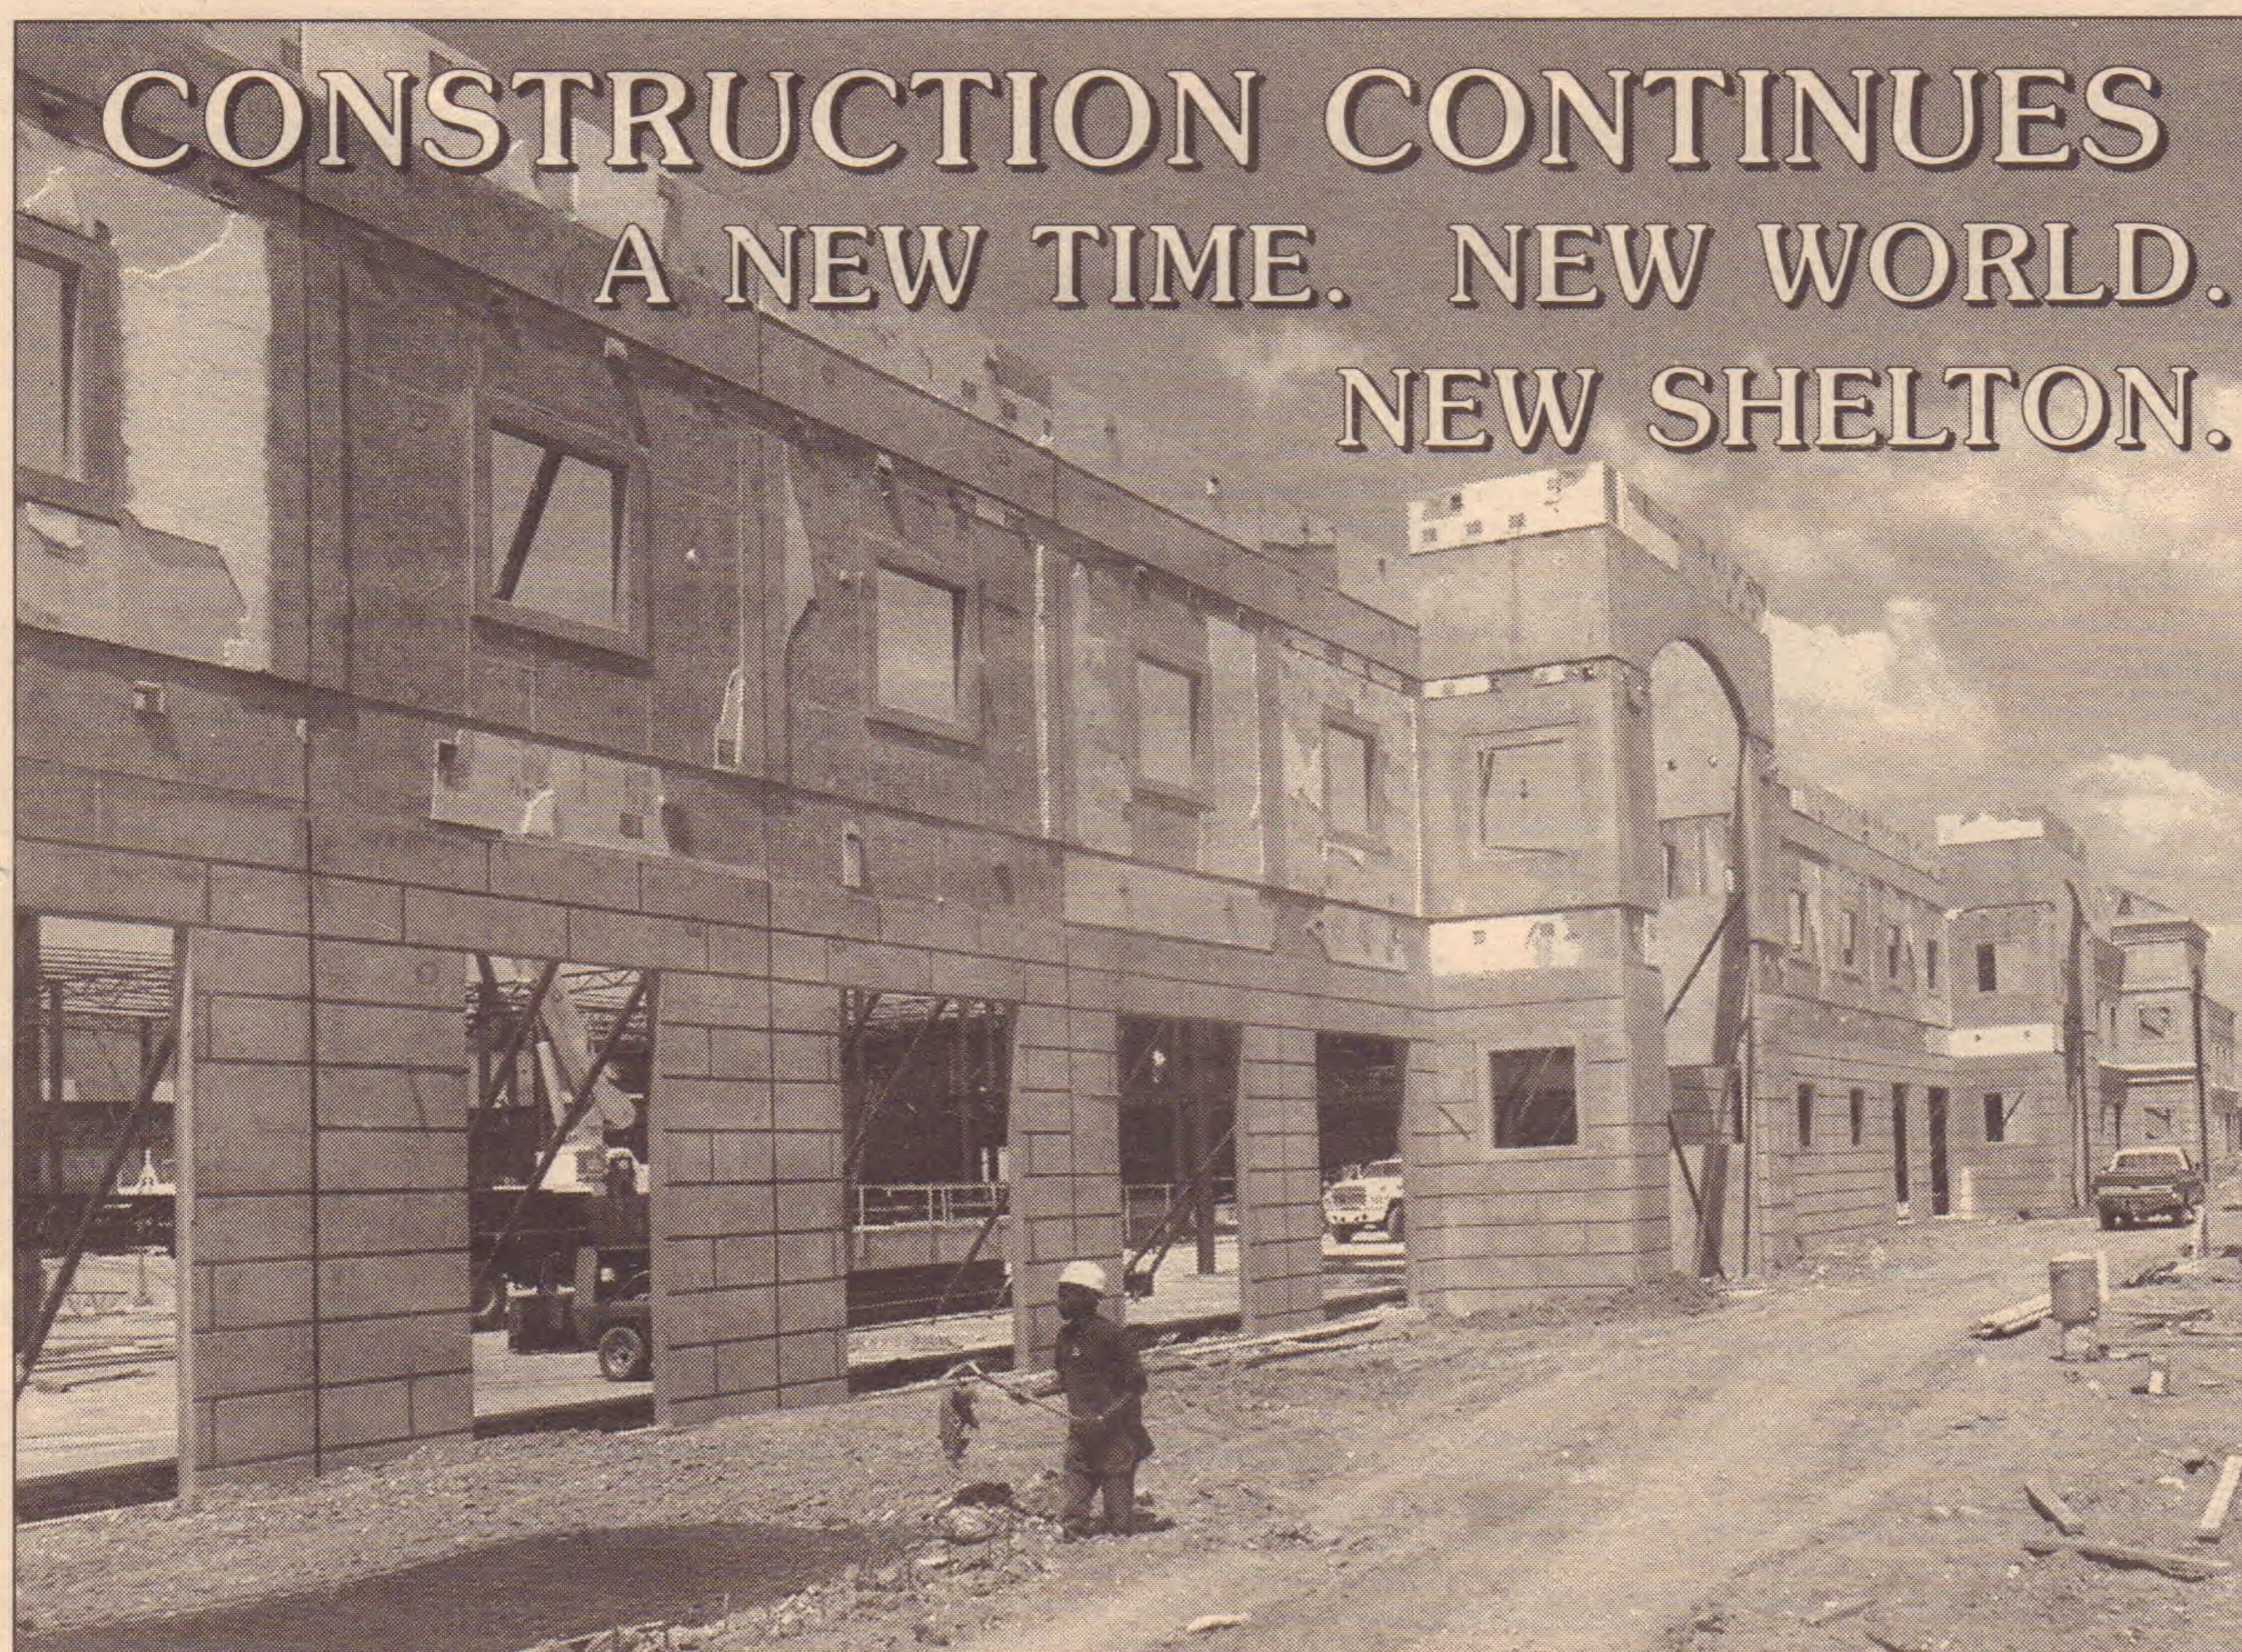

- Be 18 years of age
- Have a high school diploma or GED
- Have a current Alabama drivers license

For more information, contact
Emergency Medicine
Alabama Fire College
Phone 391-3777
Monday – Friday 8-5

SHELTON STATE FALL SCHEDULE 1995

**CONSTRUCTION CONTINUES
A NEW TIME. NEW WORLD.
NEW SHELTON.**

Construction of Shelton's new campus entered a new phase in June. All of the exterior walls for the first phase of the building are now up. The roof of the building will be added next, and then construction of the interior walls along with the electrical and mechanical systems will begin.

The most interesting aspects of Shelton State's new building so far are the "tilt-up walls" that have gone up during construction. This construction method allows the exterior walls to be built on the ground and then raised and put into place by a large crane. Each panel is 15 feet wide, two-stories high and weighs approximately 40 tons. Almost 100 of these panels are now in place.

The first panel erected was dedicated to the memory of H. I. James, the first President of Shelton State Technical College, and in honor of former State Board of Education member Victor Poole, and current board members, Sandra Ray and Ethel Hall. Mrs. James accepted the honor for her husband.

Tilt-up construction is unique to Alabama colleges. This method of construction is popular with large corporations located on the West Coast because it enables these businesses to construct buildings at a reasonable cost that meet earthquake standards. This type of construction is now being introduced to large projects in Alabama.

INTERNATIONAL STUDENT PROGRAM

Shelton State recognizes that Tuscaloosa is becoming an international city, and the college is proud of its International Student Program.

Over 100 students representing 36 countries are now attending Shelton State and are enrolled in all areas of the college. For additional information on Shelton's International Program, call 391-2249 or 391-2223.

SHELTON STATE'S WELLNESS PROGRAM

Interested in a career in wellness? Find out more about Shelton State's Wellness Program. You can earn a certificate in exercise/wellness instruction and become a certified exercise/wellness instructor. The college also offers a Wellness Management Degree program that will help you learn how to operate and manage a health club or corporate wellness program.

To learn more about the classes offered through the Shelton State Wellness Center, contact Dr. Milady Murphy, director, 391-2394.
